Environmental Stewardship

JSP Management has helped hundreds of farmers into the Entry Level Scheme, and has a high success rate with Higher Level Scheme applications.

We can offer all levels of support, from initial advice to ongoing management of the schemes. Please call us to book an appointment.

Health & Safety and Fire Audits

JSP Management can help your farm become a safe and healthy environment. With **NEBOSH** qualified assessors, we can help you comply with Health & Safety and Fire legislation

Sprayer Testing and Sales

Jim Powell is a NPTC qualified sprayer tester. He has extensive experience of practical spraying and maintenance, and won **Farm Sprayer Operator of the Year 2002.**

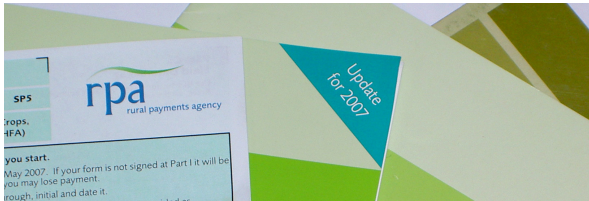

Jim also sells sprayers and parts on behalf of John Rhodes Ag. Services.

Farm Management and Book Keeping services

We can offer Farm Management Advice, draw up Tenancies and Contract Farming Agreements. Then if required, manage the ongoing Agreements and also handle the Book Keeping for the agreement.

Single Farm Payment

JSP Management is dedicated to taking the strain out of SFP paperwork. We complete the May returns as well as entitlement transfers, land transfers and can advise and implement tenancy agreements.

Management Plans

JSP Management has a bespoke program to produce the Nutrient, Soil and Manure Management Plans required for the Environmental schemes. The Plans also satisfy Cross Compliance Regulations, Assurance Protocols and the Environment Agency Inspectors.

'Our aim is to offer a personalised service, tailored to meet each farmer's individual needs'.
